INOC 2017

8th International Network Optimization Conference
February 26-28, 2017, Lisboa, Portugal

contactinoc2017@fc.ul.pt

INOC is the conference of the European Network Optimization Group (ENOG), a working group of EURO. The aim of this conference is to provide researchers from different areas of Operations Research, with the opportunity to present and discuss their results and research on the field of Network Optimization, in an inspiring and bridge building environment where fruitful ideas may flow freely. INOC 2017 is the 8th edition of this event and will take place in Lisboa, Portugal. The previous editions were held in Warsaw (2015), Tenerife (2013), Hamburg (2011), Pisa (2009), Spa (2007), Lisboa (2005) and Paris (2003).
